COMPANY SUMMARY

Cox Logistics, LLC is a trusted, Disabled veteran-owned logistics firm specializing in connecting commercial carriers with civilian and government freight opportunities. We are proud to be a minority- and service-disabled veteran-owned business committed to operational excellence, integrity, and mission-ready logistics solutions.

With a foundation in military logistics and over \$7 billion in freight coordination experience, we provide tailored dispatching, DOT compliance oversight, and consulting support that help our clients operate efficiently and stay ready for contract and safety requirements. From negotiating fair freight rates to managing safety documentation, our team bridges the gap between private-sector logistics and government standards.

Our military values and results-driven customer service have made us a preferred partner across sectors, with long-standing relationships built on trust, performance, and reliability.
